Dear Sir/Madam,

Re: Request for Industrial Attachment

On behalf of **BUYOGA Technical Secondary School (BUYOGA TSS)**, we are honored to submit this request for industrial attachment for , enrolled in the **Building and Construction Services sector, Level 4, Trade: Building Construction.**

Industrial attachment is a **core requirement of the Rwanda TVET Board training program**, designed to bridge academic learning with practical industry experience. It equips trainees with the technical expertise, discipline, and confidence necessary to succeed in the construction field.

The attachment is scheduled to take place from **04 April 2026 to 08 May 2026**. During this period, the trainee is expected to strengthen competencies in:

- Applying building construction drawing
- Performing reinforcement steel bar works
- Performing concrete works
- Performing tile works
- Performing terrazzo works
- Quantifying construction works
- Performing cement-based blocks and pavers works

We respectfully request your esteemed institution/company to host this trainee and provide the necessary **supervision, mentorship, and exposure to industry standards**. We are confident that he/she will contribute enthusiasm, dedication, and a willingness to learn, while benefiting greatly from your professional environment.

For further information, please contact **Mr. MANISHIMWE Marc**, Deputy Headteacher in charge of Studies, at **0785979274**.

We sincerely appreciate your support in advancing technical and vocational education in Rwanda and look forward to your positive response.

Yours faithfully,

Richard UWINEZA Headteacher, BUYOGA TSS
